PLEASE NOTE

WE CAN SUPPLY ONLY THE
VARIETIES LISTED ABOVE.

IF SEVERAL ORDERS ARE SENT
US FOR DELIVERY TO ONE CUSTOM-
ER, THEY ARE PRICED AS SEPAR-
ATE INDIVIDUAL ORDERS, AND NOT
AT THE QUANTITY-RATE WHICH
THE SEVERAL ORDERS MAY TOTAL.

The plants are ready for planting as received, but can be pruned back a little if so desired. Plant firmly, and water as conditions of soil and weather make it advisable.

AS TO THE TIME OF DELIVERY

We begin as soon as our conditions allow (usually about the middle of May), filling orders in rotation, as far as possible and practical.

Plants are too large for parcel post. We charge single plant rate and postage if sent by mail.

Please give full and complete address, and shipping or delivery instructions. We try to deliver by truck within reasonable distance of Murray Hill.

We close every evening at five o'clock and all day Sunday.

**TO CARRY THE PLANTS
THROUGH THE WINTER WE
RECOMMEND THE FOLLOW-
ING SIMPLE METHOD:**

Before the ground is frozen too hard, usually about the middle of November, procure some rough straw litter, or branches of evergreen, or dried leaves and put around the lower parts of plants, to a height of about one foot. Cover this with a little soil to prevent the wind from blowing it away. In the Spring remove this and cut away the wood killed by frost, giving a mulching of well-rotted manure.
